

D/Sphere Privacy Statement

Last Updated: August 11, 2025

Dhana, Inc. (“**Dhana**”) provides the services available at www.dsphere.network to enable our users to design and create new garments by repurposing and upcycling garments that they don’t wear anymore, or other pre-owned garments that users select from our library. Users can also share their designs and stories about them with friends and other users of D/Sphere. This Privacy Statement is designed to help you understand how we collect, use, and share your personal information and to help you understand and exercise your privacy rights.

1. SCOPE

This Privacy Statement applies to personal information processed by us, including on our websites, mobile applications, and other online or offline offerings. To make this Privacy Statement easier to read, our websites, mobile applications, and other offerings are collectively called “**Services.**”

2. PERSONAL INFORMATION WE COLLECT

The categories of personal information we collect depend on how you interact with us, our Services, and the requirements of applicable law. We collect information that you provide to us, information we obtain automatically when you use our Services, and information from other sources such as third-party services and organizations, as described below.

A. Information You Provide to Us Directly

We may collect the following personal information that you provide to us.

- **Account Creation.** We may collect information when you create an account, such as name, email address, and username.
- **Purchases.** We may collect personal information and details associated with your purchases, including payment information. Any payments made via our Services are processed by third-party payment processors. We do not directly collect or store any payment card information entered through our Services, but it may receive information associated with your payment card information (e.g., your billing details).
- **Your Communications with Us.** We may collect personal information, such as email address, phone number, or mailing address when you request information about our Services, register for our newsletter or loyalty program, request customer or technical support, apply for a job, or otherwise communicate with us.
- **Surveys.** We may contact you to participate in surveys. If you decide to participate, you may be asked to provide certain information which may include personal information.
- **Interactive Features.** We and others who use our Services may collect personal information that you submit or make available through our interactive features (e.g., messaging and chat features, commenting functionalities, forums, blogs, and social media pages). Any information you provide

using the public sharing features of the Services (referred to herein as “**User Content**”) will be considered “public,” unless otherwise required by applicable law, and is not subject to the privacy protections referenced herein.

- **Sweepstakes or Contests.** We may collect personal information you provide for any sweepstakes or contests that we offer. In some jurisdictions, we are required to publicly share information of sweepstakes and contest winners.
- **Conferences, Trade Shows, and Other Events.** We may collect personal information from individuals when we attend conferences, trade shows, and other events.
- **Business Development and Strategic Partnerships.** We may collect personal information from individuals and third parties to assess and pursue potential business opportunities.
- **Job Applications.** We may post job openings and opportunities on our Services. If you reply to one of these postings by submitting your application, CV and/or cover letter to us, we will collect and use your information to assess your qualifications.

B. Information Collected Automatically

We may collect personal information automatically when you use our Services:

- **Automatic Data Collection.** We may collect certain information automatically when you use our Services, such as your Internet protocol (IP) address, user settings, MAC address, cookie identifiers, mobile carrier, mobile advertising and other unique identifiers, browser or device information, location information (including approximate location derived from IP address), and Internet service provider. We may also automatically collect information regarding your use of our Services, such as pages that you visit before, during and after using our Services, information about the links you click, the types of content you interact with, the frequency and duration of your activities, and other information about how you use our Services. In addition, we may collect information that other people provide about you when they use our Services, including information about you when they tag you.
- **Cookies, Pixel Tags/Web Beacons, and Other Technologies.** We, as well as third parties that provide content, advertising, or other functionality on our Services, may use cookies, pixel tags, local storage, and other technologies (“**Technologies**”) to automatically collect information through your use of our Services.
 - **Cookies.** Cookies are small text files placed in device browsers that store preferences and facilitate and enhance your experience.
 - **Pixel Tags/Web Beacons.** A pixel tag (also known as a web beacon) is a piece of code embedded in our Services that collects information about engagement on our Services. The use of a pixel tag allows us to record, for example, that a user has visited a particular web page or clicked on a particular advertisement. We may also include web beacons in e-mails to understand whether messages have been opened, acted on, or forwarded.

Our uses of these Technologies fall into the following general categories:

- **Operationally Necessary.** This includes Technologies that allow you access to our Services, applications, and tools that are required to identify irregular website behavior, prevent fraudulent activity and improve security or that allow you to make use of our functionality;
- **Performance-Related.** We may use Technologies to assess the performance of our Services, including as part of our analytic practices to help us understand how individuals use our Services (*see Analytics below*);
- **Functionality-Related.** We may use Technologies that allow us to offer you enhanced functionality when accessing or using our Services. This may include identifying you when you sign into our Services or keeping track of your specified preferences, interests, or past items viewed;
- **Advertising- or Targeting-Related.** We may use first party or third-party Technologies to deliver content, including ads relevant to your interests, on our Services or on third-party websites.

See “[Your Privacy Choices and Rights](#)” below to understand your choices regarding these Technologies.

- **Analytics.** We may use Technologies and other third-party tools to process analytics information on our Services. Some of our analytics partners include:
 - **Google Analytics.** For more information, please visit [Google Analytics’ Privacy Statement](#). To learn more about how to opt-out of Google Analytics’ use of your information, please click [here](#).
 - **LinkedIn Analytics.** For more information, please visit [LinkedIn Analytics’ Privacy Statement](#). To learn more about how to opt-out of LinkedIn’s use of your information, please click [here](#).
 - **Mixpanel.** For more information about Mixpanel, please visit [Mixpanel’s Privacy Statement](#).
- **Social Media Platforms.** Our Services may contain social media buttons such as “Publish,” “Share,” or “Broadcast” (that might include widgets such as the “share this” button or other interactive mini programs). These features may collect your IP address, which page you are visiting on our Services, and may set a cookie to enable the feature to function properly. Your interactions with these platforms are governed by the Privacy Statement of the company providing it.

C. Information Collected from Other Sources

We may obtain information about you from other sources, including through third-party services and organizations. For example, if you access our Services through a third-party application, such as an app store, a third-party login service, or a social networking site, we may collect information about you from that third-party application that you have made available via your privacy settings.

3. HOW WE USE YOUR INFORMATION

We use your information for a variety of business purposes, including to provide our Services, for administrative purposes, and to market our products and Services, as described below.

A. Provide Our Services

We use your information to fulfil our contract with you and provide you with our Services, such as:

- Managing your information and accounts;
- Providing access to certain areas, functionalities, and features of our Services;
- Answering requests for customer or technical support;
- Communicating with you about your account, activities on our Services, and policy changes;
- Processing your financial information and other payment methods for products or Services purchased;
- Processing applications if you apply for a job we post on our Services; and
- Allowing you to register for events.

B. Administrative Purposes

We use your information for various administrative purposes, such as:

- Pursuing our legitimate interests such as direct marketing, research and development (including marketing research), network and information security, and fraud prevention;
- Detecting security incidents, protecting against malicious, deceptive, fraudulent or illegal activity, and prosecuting those responsible for that activity;
- Measuring interest and engagement in our Services;
- Short-term, transient use, such as contextual customization of ads;
- Improving, upgrading or enhancing our Services;
- Developing new products and Services;
- Ensuring internal quality control and safety;
- Authenticating and verifying individual identities, including requests to exercise your rights under this policy;
- Debugging to identify and repair errors with our Services;
- Auditing relating to interactions, transactions and other compliance activities;
- Enforcing our agreements and policies; and
- Complying with our legal obligations.

C. Marketing and Advertising our Products and Services

We may use personal information to tailor and provide you with content and advertisements. We may provide you with these materials as permitted by applicable law.

Some of the ways we market to you include email campaigns, custom audiences advertising, and “interest-based” or “personalized advertising.”

If you have any questions about our marketing practices or if you would like to opt out of the use of your personal information for marketing purposes, you may contact us at any time as set forth in [“Contact Us”](#) below.

D. Other Purposes

We also use your information for other purposes as requested by you or as permitted by applicable law.

- **Consent.** We may use personal information for other purposes that are clearly disclosed to you at the time you provide personal information or with your consent.
- **Automated Decision Making.** We may engage in automated decision making, including profiling. Dhana’s processing of your personal information will not result in a decision based solely on

automated processing that significantly affects you unless such a decision is necessary as part of a contract we have with you, we have your consent, or we are permitted by law to engage in such automated decision making. If you have questions about our automated decision making, you may contact us as set forth in “[Contact Us](#)” below.

- **De-identified and Aggregated Information.** We may use personal information and other information about you to create de-identified and/or aggregated information, such as de-identified demographic information, de-identified location information, information about the device from which you access our Services, or other analyses we create.
- **Share Content with Friends or Colleagues.** Our Services may offer various tools and functionalities. For example, we may allow you to provide information about your friends through our referral services. Our referral services may allow you to forward or share certain content with a friend or colleague, such as an email inviting your friend to use our Services. Please only share with us contact information of people with whom you have a relationship (e.g., relative, friend neighbor, or co-worker).

4. HOW WE DISCLOSE YOUR INFORMATION

We disclose your information to third parties for a variety of business purposes, including to provide our Services, to protect us or others, or in the event of a major business transaction such as a merger, sale, or asset transfer, as described below.

A. Disclosures to Provide our Services

The categories of third parties with whom we may share your information are described below.

- **Service Providers.** We may share your personal information with our third-party service providers who use that information to help us provide our Services. This includes service providers that provide us with IT support, hosting, payment processing, customer service, and related services.
- **Business Partners.** We may share your personal information with business partners to provide you with a product or service you have requested. We may also share your personal information to business partners with whom we jointly offer products or services.
- **Affiliates.** We may share your personal information with our company affiliates for our administrative purposes, including activities such as IT management, for them to provide services to you or support and supplement the Services we provide.
- **Other Users/Website Visitors.** As described above in “[Personal Information We Collect](#),” our Services allow you to share your profile and/or User Content with other Users/publicly, including to those who do not use our Services.
- **APIs/SDKs.** We may use third-party Application Program Interfaces (“APIs”) and Software Development Kits (“SDKs”) as part of the functionality of our Services. For more information about our use of APIs and SDKs, please contact us as set forth in “[Contact Us](#)” below.

B. Disclosures to Protect Us or Others

We may access, preserve, and disclose any information we store associated with you to external parties if we, in good faith, believe doing so is required or appropriate to: comply with law enforcement or national

security requests and legal process, such as a court order or subpoena; protect your, our, or others' rights, property, or safety; enforce our policies or contracts; collect amounts owed to us; or assist with an investigation or prosecution of suspected or actual illegal activity.

C. Disclosure in the Event of Merger, Sale, or Other Asset Transfers

If we are involved in a merger, acquisition, financing due diligence, reorganization, bankruptcy, receivership, purchase or sale of assets, or transition of service to another provider, your information may be sold or transferred as part of such a transaction, as permitted by law and/or contract.

5. YOUR PRIVACY CHOICES AND RIGHTS

Your Privacy Choices. The privacy choices you may have about your personal information are determined by applicable law and are described below.

- **Email and Telephone Communications.** If you receive an unwanted email from us, you can use the unsubscribe link found at the bottom of the email to opt out of receiving future emails. Note that you will continue to receive transaction-related emails regarding products or Services you have requested. We may also send you certain non-promotional communications regarding us and our Services, and you will not be able to opt out of those communications (e.g., communications regarding our Services or updates to our Terms or this Privacy Statement).

We process requests to be placed on do-not-mail, do-not-phone, and do-not-contact lists as required by applicable law.

- **Text Messages.** You may opt out of receiving text messages from us by following the instructions in the text message you have received from us or by otherwise contacting us.
- **Mobile Devices.** We may send you push notifications through our mobile application. You may opt out from receiving these push notifications by changing the settings on your mobile device. With your consent, we may also collect precise location-based information via our mobile application. You may opt out of this collection by changing the settings on your mobile device.
- **“Do Not Track.”** Do Not Track (“DNT”) is a privacy preference that users can set in certain web browsers. Please note that we do not respond to or honor DNT signals or similar mechanisms transmitted by web browsers.
- **Cookies and Interest-Based Advertising.** You may stop or restrict the placement of Technologies on your device or remove them by adjusting your preferences as your browser or device permits. However, if you adjust your preferences, our Services may not work properly. Please note that cookie-based opt-outs are not effective on mobile applications. However, you may opt-out of personalized advertisements on some mobile applications by following the instructions for [Android](#), [iOS](#) and [others](#).

The online advertising industry also provides websites from which you may opt out of receiving targeted ads from data partners and other advertising partners that participate in self-regulatory programs. You can access these and learn more about targeted advertising and consumer choice and privacy by visiting the [Network Advertising Initiative](#), [the Digital Advertising Alliance](#), [the European Digital Advertising Alliance](#), and [the Digital Advertising Alliance of Canada](#).

Please note you must separately opt out in each browser and on each device.

Your Privacy Rights. In accordance with applicable law, you may have the right to:

- **Access Personal Information** about you, including: (i) confirming whether we are processing your personal information; (ii) obtaining access to or a copy of your personal information; and (iii) receiving an electronic copy of personal information that you have provided to us, or asking us to send that information to another company (the “right of data portability”);
- **Request Correction** of your personal information where it is inaccurate or incomplete. In some cases, we may provide self-service tools that enable you to update your personal information;
- **Request Deletion** of your personal information;
- **Request Restriction of or Object to** our processing of your personal information; and
- **Withdraw your Consent** to our processing of your personal information.

If you would like to exercise any of these rights, please contact us as set forth in “[Contact Us](#)” below. We will process such requests in accordance with applicable laws.

6. SECURITY OF YOUR INFORMATION

We take steps to ensure that your information is treated securely and in accordance with this Privacy Statement. Unfortunately, no system is 100% secure, and we cannot ensure or warrant the security of any information you provide to us. We have taken appropriate safeguards to require that your personal information will remain protected and require our third-party service providers and partners to have appropriate safeguards as well. To the fullest extent permitted by applicable law, we do not accept liability for unauthorized disclosure.

By using our Services or providing personal information to us, you agree that we may communicate with you electronically regarding security, privacy, and administrative issues relating to your use of our Services. If we learn of a security system’s breach, we may attempt to notify you electronically by posting a notice on our Services, by mail or by sending an email to you.

7. INTERNATIONAL DATA TRANSFERS

All information processed by us may be transferred, processed, and stored anywhere in the world, including, but not limited to, the United States or other countries, which may have data protection laws that are different from the laws where you live. We endeavor to safeguard your information consistent with the requirements of applicable laws.

8. RETENTION OF PERSONAL INFORMATION

We store the personal information we collect as described in this Privacy Statement for as long as you use our Services or as necessary to fulfill the purpose(s) for which it was collected, provide our Services, resolve disputes, establish legal defenses, conduct audits, pursue legitimate business purposes, enforce our agreements, and comply with applicable laws.

9. SUPPLEMENTAL NOTICE FOR CALIFORNIA RESIDENTS

This Supplemental California Privacy Notice only applies to our processing of personal information that is subject to the California Consumer Privacy Act of 2018 (“CCPA”). The CCPA provides California

residents with the right to know what categories of personal information Dhana has collected about them and whether Dhana disclosed that personal information for a business purpose (e.g., to a service provider) in the preceding 12 months. California residents can find this information below:
